MORRISSEY COLLEGE OF ARTS & SCIENCES

Scholar of the College Appointment of Second Reviewer (Part 2 of 2)

Due to Associate Dean Tom Mogan (thomas.mogan@bc.edu) and James Teixeira (james.teixeira@bc.edu) by
Wednesday, March 13, 2024.

Chairs should appoint second reviewers who are reasonably independent of the project and who have appropriate expertise to judge the student's work. The solicitation of faculty reviewers from outside the student's department is encouraged. The evaluations of the advisor and a second scholar are critical in determining whether or not the project merits final Scholar's status. Both the second reviewer and the department Chair should endorse the appointment outlined below. In cases involving an external co-advisor, letters from both co-advisors and the department Chair are required. **Evaluation letters for all projects are due Wednesday, May 1, 2024.**
